

### **CENTENNIAL SECONDARY ESL & INTERNATIONAL STUDENTS VISIT INDIAN ARM (May 2005)**

Once again this year the ESL and International students had a fabulous trip up Indian Arm aboard Rod MacVicar's "Oceanwatch". On May 17th and 19th, two groups of 40 students travelled by boat to Twin Island where they hiked and learned about B.C coastal marine and plant life.

As in past years, the highlight was the time spent at Camp Jubilee where students explored and had a campfire to roast hot dogs and marshmallows. What a wonderful West Coast experience with a terrific group of students!
